MID-ROLL NATIVE PODCAST ADS:

You provide:

- You/your company sends me some of your product or grants me free access to your service, if it's something I or my neurodivergent young adult son can try out.
- You pay \$300 per show for a 60-second read that is organically inserted into the episode. This means I'll just take a quick minute to talk about your product, service, or company and either my experience with it, or why I support the company and recommend your product/service, IF I tried your product. If not, you can provide a 60-second ad in audio format or a script for me to read.
- You must buy a minimum of 2 episodes at this new advertiser price. You'll get an option to buy up to 20 more at the same rate, up to 4 weeks after the first release of ad #1.

I provide:

- Your logo, linked to your website, will appear in the sponsor section of the show notes page for the episode.
- One post about your company and product/service on each of my Facebook and Instagram accounts.

BOOST YOUR RESULTS

Providing a discount for my audience that is read into your ad increases visits to your website from the podcast ad.
